Alma Mater

Choudrant High, I will be true,
Loyal, and faithful, too.
For all the years with you
We will be grateful.
We'll bless thy friendly ways
As the years go rolling by
And cherish thy wondrous days
Thy spirit ne'er will die.

Chorus

Hark, how the breezes call
Oh! how my heartaches fall
When e'er I hear thy song
Our Alma Mater.

Foreword

One of our most cherished American heritages is the privilege of attending school. Since this is true, we have designed THE AGGIE to capture the most pleasant thoughts from the varied activities of CHS students. During this year we have endeavored to let THE AGGIE become a school activity and to see that it included materials to brighten memories which belong to all of us.

Among the highlights which stand out at CHS are the "cute" little first graders; the rush of schedules; SRA tests in grades 4, 8, and 11; elections of class officers; initiation of FHA and FFA members; election of cheerleaders; selection of beauties; 4-H activities; Halloween and Christmas parties; Mother-Daughter Banquet; FFA party; Junior-Senior Reception; Student Council activities; Glee Club and many more that had both students and teachers quite busy; her phenomenal BASKETBALL SEASON - pep assemblies before games, musical and religious assemblies. And to the SENIORS, CHS offered a strong sensation as they participated in activities which would be repeated many times in years to come out of which they would never be a part again.

This is our 1962-63 AGGIE. At CHOUDRANT HIGH SCHOOL we love our yearbook because it aids us in preserving the precious memories of these wonderful days. The staff has tried to incorporate in this book details of incidents and ideas that will recall your high school friends and activities.
